BUUnique
WEEK

6TH - 10TH DECEMBER

6TH - 10TH DECEMBER
Get involved. Get ahead. Get noticed.

Hello & welcome to BUnique week

As many of us know, the job market is becoming increasingly competitive & it's becoming ever more important to have a CV that stands out from the rest.

So ask yourself - what makes you unique to a potential employer or placement provider?

If the answer is nothing, then don't worry, its not too late to take advantage of the many opportunities that the Students' Union at Bournemouth University (SUBU) offers. Here you'll find a weeks schedule of events, run by clubs & societies all wanting to grab your attention & give you the chance to put something impressive on your CV. Also look out for stands in the atrium with info from those Clubs & Socs looking to recruit.

So whether you missed out at the start of the year, or perhaps you meant to join something the year before that, just remember that its never too late whatever year you're in to make yourself more employable.

What will you take on this week?

For more info on any of the weeks events, or anything SUBU related, feel free to email me on the address below,
